Registration process

In-house clinics. Students register for all in-house clinics for Fall and Spring by completing the Clinical Programs Registration Form and submitting the form to Carol Mockbee or Celeste Sherwood in room 3072. Students may request up to four placements, in order of preference. Registration forms are due by Tuesday, March 21, 2017, by 5:00pm.

Students are assigned to in-house clinics by the Associate Dean and clinic staff, in consultation with clinic professors. The assignment process takes into consideration student preference, whether the student has previously enrolled in an in-house clinic, the number of slots available in each clinic, and the student's statement of interest. Students will be notified before registration opens of their clinic assignment and will be enrolled in the clinic by the Registrar. If you decide to decline enrollment in the clinic, please notify Carol Mockbee immediately at carol@ms-ip.org so that students on the waiting list can be enrolled.

Clinical externships. Students apply for participation in the externship program by completing the Externship Application available on the Law School Clinical Programs web site under "Clinical Externships/Students." Interested students should contact Professor Sinha if they have questions: hsinha@olemiss.edu.

Tax Clinic (rolling basis). Students may apply for the Spring 2018 class on a rolling basis. If you do not submit an application during this enrollment process by March 21, you will need to contact Professor Donna Davis directly. You may **not** enroll yourself – enrollment is with the permission of Professor Davis. Students may **not** enroll in the Tax Clinic in the same semester as another clinic.

Pro Bono Initiative (rolling basis). Registration application **not** required. Pro Bono Initiative events are announced throughout the year. Students may sign up for an event by contacting OleMissProBono@gmail.com.

You may wish to consider the following questions in your statement, though you need not answer all of them:

a. What do you hope to learn from participation in a Clinic? Feel free to reflect on personal learning goals, career plans, skills you hope to develop, etc.
