V. Short Answer Questions

(This scholarship is not a traditional one, in that, its recipient will be chosen based *primarily* on personality. Please answer each question candidly, as this is the most important section of the application.)

1. If you were not in law school, what would you be doing? What town/city would you be doing it in?
2. If you could go back in time would you? If yes, to what age? What would you do differently?
3. What is the best decision you've ever made? The worst?

4. If you could be any superhero who would it be and why?

5. Draw Something. Anything, give us your best. Don't have someone do it for you, we may just ask you to recreate this

I hereby certify that I am a second-year law student at The University of Mississippi School of Law.
