Registration process

In-house clinics. Students register for all in-house clinics for Fall and Spring by submitting their **Clinical Programs Registration Form, Statement of Interest** and **Resume** to Room 3072.

Students may request up to four placements, in order of preference. A completed application requires the Registration Form, Statement of Interest, and Resume be submitted by Monday, March 21, 2022, by 5:00pm.

Students are assigned to in-house clinics by the Associate Dean and clinic staff, in consultation with clinic professors. The assignment process takes into consideration student preference; whether the student has previously enrolled in an in-house clinic; the number of openings available in each clinic; and the student's statement of interest. Students will be notified before registration opens of their clinic assignment and will be enrolled in the clinic by the Registrar. If you decide to decline enrollment in the clinic, please notify Cori Benefiel cbenefie@olemiss.edu immediately so that students on the waiting list can be enrolled.

Externships. Students apply for participation in the externship program by completing the Externship Application available on the Law School Clinical Programs web site under "Clinical Externships/Students." Interested students should contact Professor Hans Sinha if they have questions: hsinha@olemiss.edu. If you apply for an Externship after you apply for an in-house Clinic, or if you are accepted into an in-house clinic and later decide to drop in favor of an Externship you must notify Cori Benefiel cbenefie@olemiss.edu immediately.

Pro Bono Initiative (rolling basis). Registration application **not** required. Pro Bono Initiative events are announced throughout the year. Students may sign up for an event by contacting OleMissProBono@gmail.com

Statement of Interest

Instructions

In a brief statement (no more than one page or 300 words, whichever is shorter), please explain why you are interested in enrolling in a clinic. Your statement may be general – applying to all clinics you have listed – or you may add information specific to a particular clinic. You may wish to consider the following questions in your statement, though you need not answer all of them:

- a. What do you hope to learn from participation in a clinic? Feel free to reflect on personal learning goals, career plans, skills you hope to develop, etc.
- b. Is there anything else you would like the clinic faculty/staff to know—relevant experiences, specific skills, courses taken in law school or elsewhere—that might assist them in conducting the selection process?
